Vista Kids Preschool admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational and admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

2016-17 School Year

Welcome to

Vista Kids Preschool!

We are excited you are considering enrolling your child with us and hope to partner with you in the most formative years of your child's education. VKP supports families by providing a foundation of early childhood education based upon biblical standards which encompass the needs of the whole child.

Our curriculum is created to support your child's level of development. At VKP, we offer a range of learning and play opportunities through small and large group activities, individual instruction, and centers. Through monthly themes, children are introduced to content areas of literacy, mathematics, science, music, art, and the Bible. Enrichment opportunities include field trips, weekly chapel time, and special celebrations and events.

Prekindergarten Classes

Pre-K4 Caterpillars

Must be 4 by January 1, 2017
(10 child maximum per classroom)

Pre-K5 Butterflies

Must be 4½ by December 1, 2016
(12 child maximum per classroom)

Our prekindergarten class is designed to prepare your child for the formal years of education. A structured setting with academic and play activities is balanced within the day. Alphabet letter and sound recognition, math skills, science centers, as well as fine and gross motor skill development are key components to our biblically based curriculum. Our goal is to prepare your child to be an independent worker and to foster leadership skills.

Pre-K5 Enrichment Class

Monarchs

For Pre-K5 students only
(10 child maximum per classroom)
Tuesday & Thursday mornings

This is an enrichment class that compliments Pre-K curriculum with an emphasis on math and science. **Students must be enrolled in a 3 day Pre-K5 class to be eligible.**
